

Graduation Day

May 16, 2010
Central Presbyterian Church

Noisemakers, brightly colored balloons, crying babies, proud parents, beaming graduates. What a moving, emotional day!

About half of the Class of 2010 were the first in their family to finish high school, and 15 of the 20 were headed for college. Congratulations to a group of determined young women who managed the challenges of teen pregnancy, and in most cases poverty, to finish high school and position themselves to build successful lives for their families, thanks to the wraparound support provided by Florence Crittenton Services.
